Would you like to receive our free on-line newsletter?

If you'd like to subscribe to our free newsletter, "Citation Software News," please check the box at the left. Our newsletter is distributed via e-mail 8-10 times per year. It contains up-to-date information about software solutions for printing and publishing, postal automation, and data cleansing; it also contains news concerning developments and standards related to variable-data-publishing technology and Web-to-print technology.

How you'll receive your software: If you are ordering PDF Snake or Jaws PDF Creator, you'll receive the software via download. If you are ordering any other products listed on this order form, you'll receive a package via courier or via U.S. Mail within ten days or so, and you'll also receive download instructions via e-mail. If you are ordering a product that's not in the list above, we'll contact you to let you know how your software will be delivered. For any software that you download — with the exception of PrintShop Mail — you'll receive license information via e-mail.
